

HVAC Tub

The AeroFresh HVAC Tub is a bio-based and biodegradable product that absorbs malodors & purifies the air. Our HVAC Tub will eliminate bad odors from air conditioning systems and improve air quality as it's circulated throughout the facility.

Features

- Compact self-contained tub
- Gelled block uses innovative technology that neutralizes malodors at molecular level
- Refreshing mint fragrance

Benefits

- Simple to use
- Powerful, refreshing effect
- Provides the aromatherapy benefits of the sealed fragrance oil
