

AeroWest

Automatic Drip System for Toilets & Urinals

Our original unit, the AeroWest, was patented in 1905 & has been the backbone of our business for over 100 years. Cleans & deodorizes toilets & urinals.

Features

- Automatically dispenses cleaning fluids & pleasant scent into the urinal & commode - no batteries or electricity required
- Made of tough, flexible, easy-to-clean polypropylene
- Louvers in the top & bottom of the dispenser encourage air flow in an upward direction, across a wick saturated with fragrance
- Airflow picks up a light fragrance from the fluid that circulates throughout the restroom.

Benefits

- Kills odors directly at their source
- Prevents scale formation
- Keep toilets fresh & clean between cleanings
- Maintains an even, pleasant fragrance level 24 hours a day
- Neither overpowering by too much "perfumed" air, nor overwhelmed by unpleasant odors.
- Fragrance flows from the evaporation of the fluid from the toilet, urinal, and the
