## Automatic Drip System for Toilets & Urinals

The OdoSan dispenser is a compact, attractive automatic drip system that dispenses cleaning fluid & fragrance directly into the urinal or toilet, keeping fixtures fresh & clean 24 hours a day.

### Features

- Upmarket appearance
- Small and compact
- Works 24 hours a day to clean, descale, and deodorize
- Lockable
- Available in white and chrome
- Louvers in the top & bottom of the dispenser encourage air flow in an upward direction, across a wick saturated with fragrance

### Benefits

- Kills odors directly at their source
- Maintains an even, pleasant fragrance level 24 hours a day
- Multifunctional
- Easy to install
- Multiple fragrances available to pair with WiseAir fan
- Month long cleaning and scale prevention
