

AeroWest

Automatic Drip System

Dispenses cleaning, descaling, and deodorizing fluids into toilets & urinals 24/7. No batteries or electricity required.

- Neutralizes odors at the source
- Contains detergent for cleaning
- Contains chelating agent for descaling
- Leaves the bowls & urinal cleaner & more difficult for bacteria to adhere
- Sleek, attractive appearance
- Lockable unit to prevent vandalism
- Use with our Urinal Screens, Double Toilet Bowl Clips, or Diamond PSUs for added fragrance & freshness
- For added freshness, choose from a wide range of essential oil based fragrances
