### Programmable Scent Machines to Evoke Emotions

The WestAir Nebulizer is a beautifully designed, patented nebulizer that electrically diffuses pure essential oils in any business environment, in order to enhance emotions, influence consumer behavior, and employee mood.

## Features

- Nine fragrance intensity settings
- Programmable timer and on and off settings
- Smooth acrylic finish
- Digital screen
- Available in Black & White
- Available in 2 units (WestAir & WestAir Deluxe) & larger sized units can be specially ordered

## Benefits

- Fragrance intensity can be easily controlled and set to your preference
- The daily operations times can be controlled
- Flexible enough to be used in specific locations or injected into the air conditioning system
- Quiet, smooth operation
