## Active Fans

### Active Odor Control Where You Want It

The Wiseair Select Active Fan is ideal when an air freshener is needed for odor control situations where the toilets and urinals are not the problem. They can be used anywhere they're needed such as hallways, locker rooms, waiting rooms, elevators, restrooms, laundry rooms & more.

## Features

- Available in white & chrome
- Lockable to prevent tampering
- Enhanced active blade system propels more fragrance to every corner of the room
- Selected fragrance cartridges use non-toxic, organic, pure essential oils
- Dispenser is made with polypropylene back-plate & ABS cover to be strong and attractive
- A 1.5-volt battery powered motor operates a fan that works 24 hr/day

## Benefits

- Does NOT use an aerosol
- Provides constant, fresh fragrance levels
- Fragrances can be customized to your preferences
- Provides a greater & more consistent fragrance than passive wicks or gels
- Aesthetically appealing
- Supports a variety of fragrance types: dry cartridges, evaporation cards, oil cans, fragrance squares
