

WiseAir Fan

Air Freshening Fan

Uniquely engineered for consistent, lasting freshness

- Enhanced active fan blade system evenly disperses fragrance throughout the space
- No more “here today, gone tomorrow” overpowering perfume cover-ups
- Specially formulated odor counteractants
- Operates 24/7, battery powered
- Does NOT use harmful, messy aerosol
- Clean, attractive design, available in chrome or white
- Can be used anywhere, such as hallways, locker rooms, waiting rooms, elevators, restrooms, laundry rooms, & more
- Superior fragrance to gels & passive wicks
- Provides aromatherapy benefits with 50+ essential oil based scents
