

# DRAIN CONTROL CONT'D

Aero F.O.G. Drain Fluid effectively eliminates fats, oils, & grease from commercial drains, grease traps, & lift stations. AERO F.O.G. dramatically outperforms other FOG removal products on the market in terms of efficiency, effectiveness, price, & ease of use.

## Product Name: AERO F.O.G.

4 Gallons/Case **OR**  
12 - 16oz. bottles

## Product Use & Description

- Fast working - Breaks up FOG in 1-2 hours (other products can take 1-2 months)
- Completely eliminates FOG from top, bottom, & sides of drains
- Prevents re-depositing of FOG - once FOG detaches from pipes, it can never stick to it again
- Greatly reduces maintenance costs & the need for jetting
- Uses chemical dispersants to chemically break up FOG into particulate
- Destroys even hydrophobic FOG, breaking up any adhesion & disperses the FOG
- Contains Odoff, our most powerful odor neutralizer
- Eliminates odors at the molecular level
- Prevents grease clogs from forming
